**Ready at all times.**

**I am your seating aid for everyday use.**

I promote active sitting and support your development. The great thing is whatever size you are, I will grow with you! You can simply adjust my seat and footplate up or down so that you can sit comfortably at the table with your big brother or sister. I have been manufactured with loving attention to detail using wood so I suit the other furniture in your home perfectly! With my many accessories, I can easily be adapted to suit your individual requirements
